

Question 1 output:

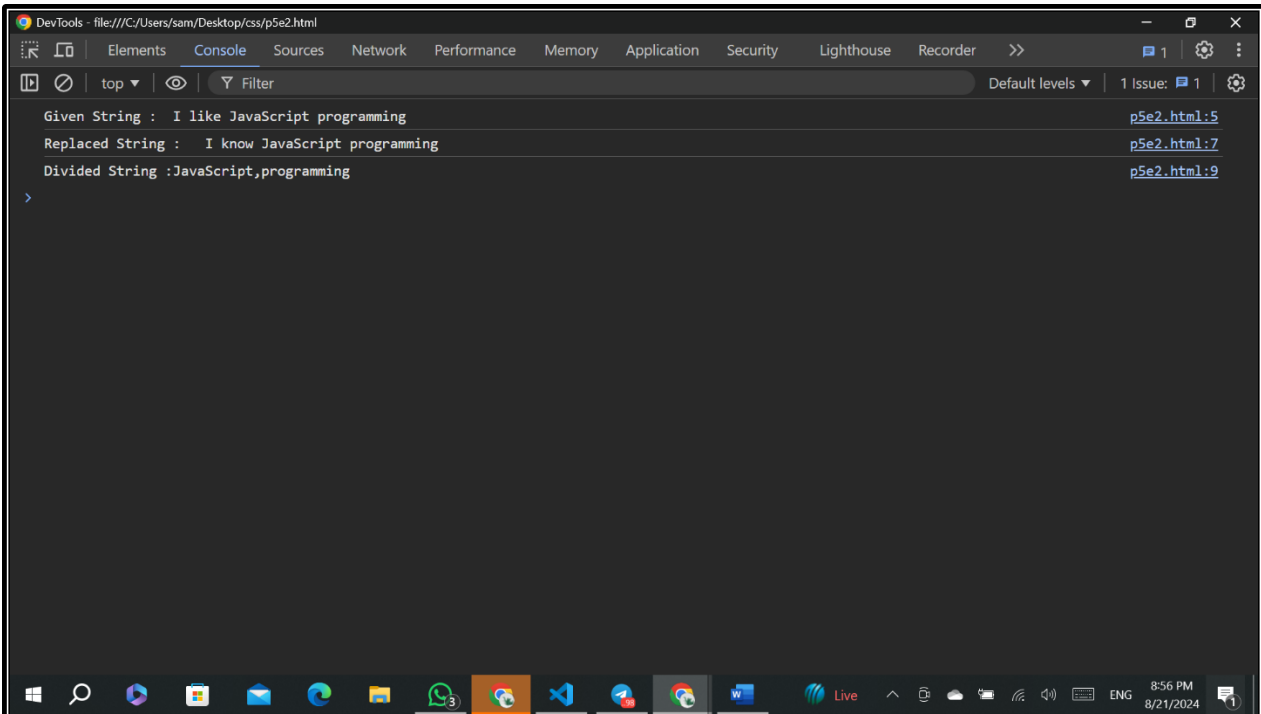

The screenshot shows the Chrome DevTools Console with the following output:

```
Given String : I like JavaScript programming
Character at position 3: i
Character at position 15: p
Character at position 8: a
Position of 'J': 7
Position of 'p': 15
Position of 'a': 8
Position of 't': 16
'like' word does exist in given string .
```

The console interface includes tabs for Elements, Console, Sources, Network, Performance, Memory, Application, Security, Lighthouse, and Recorder. The Console tab is active, showing a filter and a '1 Issue' indicator. The Windows taskbar at the bottom shows various application icons and the system clock at 8:55 PM on 8/21/2024.

Question 2 output:

The screenshot shows the Chrome DevTools Console with the following output:

```
Given String : I like JavaScript programming
Replaced String : I know JavaScript programming
Divided String :JavaScript,programming
```

The console interface is identical to the first screenshot, showing the same tabs and indicators. The Windows taskbar at the bottom shows the same application icons and system clock at 8:56 PM on 8/21/2024.

Question 3 output:
